The background of the slide features a large, modern building with a distinctive grid-like facade of white rectangular panels, some of which are recessed, creating a textured effect. This is the Apple Park building in Cupertino, California. In the foreground, on the left side, is a portrait of Tim Cook, the CEO of Apple. He is an older man with short, light-colored hair, wearing blue-rimmed glasses, a dark blue suit jacket, a white shirt, and a dark tie with a subtle pattern. The overall lighting is soft, and the colors are muted, giving the slide a professional and clean appearance.
